Crossway Small Groups are a great next step in your relationship with Jesus. Our small groups are a place to meet new people and start friendships while studying God's word together. Whether you've never been part of a small group, want to continue with your current group or need a different group for this season in life, we look forward to connecting you with the right group.

Important information

New groups for Fall 2018 Small Group will begin the week of September 30th.

There are two ways to sign up for a group:

1. Go to the Hub in the commons
2. Go to www.crosswaycc.org/smallgroups

After you sign up you will get a confirmation from the group leader, as well as the meeting location and any curriculum that needs to be purchased.

Unless noted, groups will meet weekly and childcare is not available.

If you don't see a group that works for you, contact your campus pastor about leading a group!

Co-Ed

These groups are intended for anyone to join; male or female, single or married, these groups are places for you to meet people, take next steps with Jesus, and learn more about God.

Sunday

C01: A Lifelong Love by Gary Thomas

- Whether your marriage needs a complete makeover, a touch up, or just a new purpose, this video series based on Gary's book, *A Lifelong Love*, promises to set your relationship on an entirely new dimension. You will never look at worship or your spouse in the same way again. Gary will guide you through the power shifts and seasonal mine fields that blow up so many marriages so that you can grow in your love instead of in your disappointment.
- 4:00 – 6:00 pm
- Twice a month
- Led by Kirk and Gloria Walker

Wednesday

C02: “The DIO Trilogy” series by Jared Dodd

- The focus would be on the first set in the series, which is Discipleship. Goal is to move away from head knowledge, church attendance and professions of faith as a person's sole focus. Stop minimizing the importance of discipleship. Series focuses on

what it means to be a disciple, the cost of doing that, understanding your role in God's kingdom, etc.

- 7:00 pm
- Led by Steve Rasmussen
- No Childcare
- People can purchase a book for \$12.95. Not required though. There are free downloadable notes that I would encourage.
- 10 week series

C07: Celebrate Recovery

- Celebrate Recovery is a Christ-centered program with foundations firmly established in Biblical truth. The 12 Steps with accompanying Scriptures and the 8 Principles based on the Beatitudes offer participants a clear path of salvation and discipleship; bringing hope, freedom, sobriety, healing, and the opportunity to give back one day at a time through our one and only true Higher Power, Jesus Christ. The 12 Steps and the 8 Principles work seamlessly together, tying historical recovery to timeless Biblical teaching.
- 6:00 – 7:30 pm
- Ongoing
- Led by Rick Rutter
- Location: Downtown Campus

Thursday

C03: Matt Chandler's Philippians study

- To live is Christ; to die is gain - Join Matt Chandler, Teaching Pastor of The Village Church in Dallas, TX, as he walks us through this most intimate of all Paul's letters and paints a beautiful picture of what it is to be a mature Christian. Paul introduces three individuals that were all enslaved by the kind of things that we often choose over the gospel. Their lives portray dysfunction and emptiness, but are totally transformed by the Gospel. True joy and Christ's love begin to live within them, giving them a life of purpose.
- 7:00 pm
- Led by John and Janice Hubbard
- No childcare provided
- \$8.99/person or couple for study guide

Friday

C04: Designed for discipleship by the navigators

- Our discussions are stimulating and the insights being shared are amazing. It is one of the best studies we have been a part of. This small group builds faith in seekers and challenges those of us who have been around a while as well. It is the highlight of our week for sure. If someone wants to grow to become a better disciple of Christ, this group can help.

- Every other Friday
- 6:00 – 7:30 pm
- Led by Dan and Lindy Thomas

Family

Thursday

F02: Real Families, Real Needs: A Compassionate Guide for Families Living with Disability.

- Every family struggles from time to time, but when a disability rocks a family, it can send shock waves that affect each member differently. Each family member will have questions about his or her role, and unique needs for support. *Real Families, Real Needs*, provides answers that are rooted in biblical truth, practical ideas, and expectant hope.
- 7:00 – 8:30 pm
- Led by Tim and Joan Lafferty
- Location: Lafferty's home

Monday

W01: She's Got Issues by Nicole Unice

- "Some days living up to the whole good Christian image seems impossible. You do the right things (well, most of the time), but you just don't feel changed by your faith. Deep down, you're still dealing with the ordinary struggles - control, insecurity, comparison, fear, anger and unforgiveness - that hold you back from living free and loving well. The good news? You don't have to "fix" yourself. You have access to the power of Christ. His power can transform your everyday weaknesses into your greatest strengths and gifts."
- 7:00 – 8:30 pm
- Led by Jill Dionne

Thursday

W02: The Real God by Chip Ingram

- If you struggle with trusting God, this study can help. Chip Ingram will take us through an in-depth study of seven attributes of God-- His goodness, sovereignty, holiness, wisdom,

justice, love, and faithfulness--and you'll see God in a whole new light. This study could change the way you think about God, yourself, and others. It will encourage you on to pray and live with a deep peace and a renewed purpose as you see Him as He longs to be seen.

- This study does involve a video and some homework that will take about an hour to complete each week. You will need to get the workbook, which is currently free at this link: <https://store.livingontheedge.org/product/the-real-god-app-special-offer/>
- 9:00 am – 11:00 am
- Led by Margaret Barron
